## DO IT

What could be better than a joint exhibition by royal artist Christian Furr and iconic rock photographer Gered Mankowitz, putting a painterly spin on shots of Jimi Hendrix, Kate Bush and the Rolling Stones? One where you can drink special themed cocktails too, of course. Head to *45RPM* at London's 45 Park Lane hotel to see (and sip) for yourself. *Until 5 Aug;*  
*dorchestercollection.*

AD IT

ctionary definition  
you'll find a picture of  
le we know the look and  
(No.5), the  
ed an enigma - until 2010  
l: *The Legend and the Life*  
unpicked the seams  
d fashion myth. It's  
ssued with fab  
- don't miss.  
Thursday

scene uses a song (by the likes of T Rex, Beck,  
Blur, Beach Boys) as its starting point, and was  
written to fit it perfectly. The result is *Baby Driver*  
- a fresh, funny take on the classic heist  
movie starring Kevin Spacey, Jamie  
Foxx and The Soundtrack.
